Education

Sri Jayachamarajendra College of Engineering
BE in Computer Science CGPA: 7.51 (Till Date)

Mysore, Karnataka
Nov 2022 – Jun 2026

Vijaya Vittala PU College
Intermediate: 89.3%

Mysore, Karnataka
Jun 2020 – May 2022

Manasarowar Pushkarini Vidyashrama School
10th Standard: 70%

Mysore, Karnataka
Jun 2019 – May 2020

Projects

JourneyQuest - Full-stack travel tracking application

- Enables users to mark visited countries on an interactive world map and upload country-specific images.
- Created a responsive frontend for smooth user interaction and map visualization using HTML, CSS, Bootstrap, and JavaScript
- Implemented backend using Node.js, Express.js, and PostgreSQL to enable efficient data storage and retrieval of user travel history and images.

Simon Game - Memory game with dynamic gameplay mechanics

- Developed a game designed to strengthen short-term memory, incorporating dynamic difficulty and an interactive, responsive UI using HTML, CSS, JavaScript.

Airbnb – Hotel Rating and Listing Management Platform

- Built a full-stack Airbnb- inspired hotel listing platform using Node.js, Express.js and EJS enabling users to register, log in, create listing and posting reviews.
- Implemented user authentication and session management for secure and personalized experiences.
- Designed an admin dashboard with CRUD functionalities for hotel listing, allowing users to add, delete, view properties with image uploads.

Achievement and Awards

- Participated in an AI workshop organized by NXTWave.
- Participated in state level professional swimming competitions.

Interests and Hobbies

- Farming, Swimming, Yoga, Cricket, Photography

Languages

- English, Kannada, Telugu, Hindi
